PAINTINGS .- Messrs, Sea & Shenday's Anction toma is just now quite a fashionable resert, and ery properly so, masmuch as they have a gallery of paintings in exhibition well worthy of one visit not only, but of many. It is evidently of great age, and printed upon coarse canvass, but has been carefully resred, and drawn over newer canvass in order to meserve it.

We have no room to do more, than to urge our eadors to go and see these pictures. They are to e sold to-morrow, and the opportunity is one chich occurs but seldom.
